Trophy Holder Information

We do like to allow those who are successful in our events to hold the relevant trophies for the period of their reign where possible. Naturally these trophies do hold both financial and sentimental value to the BGA and so please treat them with care.

We ask that you please:

- Provide us with your contact details before taking any trophy
- Inform us if your contact details change whilst you hold any trophy
- **DO NOT** take any trophy outside of the UK

Engraving

If possible, whilst you are holding the trophy please arrange for it to be engraved to add your name/year - ensuring that any previous missing names/years are added at the same time. The BGA will reimburse you for the cost of this engraving.

If you are unsure about having the trophy engraved, please contact us for advice.

Returning Trophies

In general you should be able to hold the trophy until the next edition of the event the following year. Contact us in advance to let us know whether you will be returning to defend your title - in which case bring the trophy with you (hopefully engraved and cleaned!) - or otherwise we can make arrangements to obtain the trophy back from you.

If you need to return the trophy sometime earlier (e.g. if you are going to be leaving the UK for an extended period) then please do contact us so that we can arrange to obtain the trophy from you.

Contacting Us

For any issues or to discuss returning the trophy etc, please contact:
